

# Extracurricular Activities Tax Credit Fund

## **Lower your taxes and support Students**

The Arizona Legislature passed a law (A.R.S. 43-1089.01) allowing Arizona taxpayers to contribute up to \$400 to a public school, and then deduct the entire amount from their state tax bill. Tax payers may also deduct on federal returns as a charitable contribution.

## **Extracurricular activities are good for children and the community.**

The law says funds must be used for extracurricular activities. Extracurricular activities help children develop qualities such as leadership, team play and cooperation, as well as safe, supervised activities after school hours.

## **Parents and non-parents are eligible**

This tax credit is available to all Arizona tax payers regardless of whether or not they have children in school. An individual may contribute **up to \$200** or a couple filing jointly can contribute and receive a tax credit for a maximum of **up to \$400**.
